About Us

SHARK EYE SECURITY
kama uko sawa, niko sawa

We sell and install State-of-the-art, intelligent CCTV cameras with the latest built-in video analytics for accurate motion sensing, immediate notification of suspicious activity, and high-quality footage.

Our systems utilize advanced AI and deep learning to continually improve detection and surveillance capabilities over time. The cameras provide superior image quality with ultra HD and infrared/night vision technology to maintain visibility 24/7

Premier provider of cutting-edge security solutions, specializing in the sale and installation of top-quality security systems and CCTV cameras. With a commitment to safety, innovation, and reliability, we cater to both residential and commercial clients, ensuring peace of mind through advanced surveillance technology.

MISSION STATEMENT

SHARK EYE SECURITY
kama uko sawa, niko sawa

Our mission is to empower individuals and businesses with comprehensive security solutions that protect what matters most. We strive to deliver unparalleled customer service, offering tailored security options that meet the unique needs of each client.

Our Products & Services

CCTV Cameras: We offer a wide range of CCTV cameras, including dome cameras, bullet cameras, PTZ cameras, and more, designed to provide high-definition video surveillance for indoor and outdoor environments.

Security Systems: Our security systems are engineered to detect and deter intruders, with features such as motion sensors, door/window contacts, and alarm monitoring, ensuring round-the-clock protection for your property.

Access Control Systems: Take control of who enters your premises with our advanced access control systems, which include keycard access, biometric readers, and keypad entry systems, allowing you to manage access permissions with ease.

Remote Monitoring: With our remote monitoring solutions, you can keep an eye on your property from anywhere in the world using your smartphone, tablet, or computer, giving you peace of mind whether you're at home or away.

Installation and Maintenance: Our team of skilled technicians handles the installation and maintenance of all our security products, ensuring proper setup and ongoing support to keep your system running smoothly.
